Starsys® XD Solid Surface Shelving

Starsys XD Solid Surface Shelving offers a solid, robust, cleanable surface for content storage in the Starsys Extra Depth(XD) Enclosed Storage product family of mobile carts and stationary cabinets. Starsys XD Solid Surface shelving delivers extra depth and extra storage capacity when compared to Starsys standard depth units creating enhanced product options, greater storage utility, and increased value for customers.

Starsys XD Solid Surface Shelving consists of single and double-wide widths with a choice of fixed or full extension shelving. These shelves can be added to Starsys XD Single, Double, and Triple-wide Tall Mobile Carts or Single and Double-wide Tall Stationary Cabinets.

Product Overview

Utilization of Space: Each XD Solid surface shelf maximums content storage by utilizing the extra depth of our XD products. Starsys XD Solid Surface Shelving is offered in single and double width shelves and with both fixed and full extension options.

Starsys XD Solid Shelving Features:

- Full extension shelves have soft-close, self-close, and stay closed features designed into each shelf.
- Made from durable type 304 stainless steel to withstand frequent cleaning, even when using with harsh cleaning agents.
- Single and double-wide full extension XD shelving provide a higher level of access to stored content.
- Full extension shelves provide easy access to stored contents eliminating a need for "reach in" clearance while greatly improving density of storage and eliminating unused space in the Starsys XD cart or cabinet.
- Unique qwikSLOT insert design allows for placement of XD solid shelving in the cart or cabinet to meet specific storage needs.
- Single-wide and double-wide fixed shelves hold a maximum of 150 lb. (68 kg) per shelf.
- Single-wide and double-wide full extension shelves hold a maximum of 100 lbs. (45 kg.)

Double-Wide

Single-Wide

Starsys XD Solid Shelving Advantage

Increased Efficiency and Density of content storage increases Value! Starsys XD Solid Shelving increases cart/cabinet shelf storage by 20% over standard depth without increasing cart/cabinet footprint!

CLEANER BY DESIGN*

- Microban® antimicrobial protection helps to keep products "cleaner between cleanings."
- Advanced polymer and other proprietary finishes provide corrosion resistance.
- Smooth, rounded corners to allow for easier cleaning.

*Microban protection is not designed to protect users against disease causing microorganisms.
