

## BALANCING COMFORT AND PROTECTION

### FEATURES & BENEFITS

Meet your personnel's breathability and comfort requirements with high performance AlphaGuard frocks. The low particle count multilayer SMS AlphaGuard material offers one of the highest levels of breathability without compromising filtration efficiency. This material is clean, durable and soft.

This SMS frock is designed with a five-snap closure that provides full coverage and minimizes gaps. The length is appropriately adjusted to size to ensure additional coverage. A stylish, non-binding mandarin collar is tailored for maximum comfort and added protection.

#### Construction Details:

Elastic wrist, snap mandarin collar and a raglan sleeve design for additional comfort, no pockets and strong, stress-resistant serged seams.
