

CRITICAL COVER® GENPRO® HOODS COMBINED COVERAGE ALL IN ONE!

FEATURES & BENEFITS

The economical combination bouffant and beard cover is designed to protect against dirt, grime and particulates in non-hazardous environments. Manufactured from a lightweight, breathable polypropylene material with comfortable, non-binding elastic bands around the face and neck for secure fit. This generously sized hood provides secure complete coverage and comfort without pinching or binding. Open face style provides complete coverage without obstructing vision or range of motion.

Construction Details:

Open face with elastic around the face and neck and strong, stress-resistant serged seams.

CRITICAL COVER® COMFORT™ VEIL

FEATURES & BENEFITS

To help wearers with sensitive skin, the Comfort™ veil is made from a soft, non-woven breathable material. The veil is (15") long to provide freedom of movement and better protection while employing an elastic Comfort headband. An integrated malleable nose strip is ultrasonically welded into the fabric to provide a good seal every time. Made in the USA.
