

STRONG AND LIGHTWEIGHT

FEATURES & BENEFITS

This microporous composite material economical frock is ideal for visitors and other wearers who don't require highly protective garments. The NuTech® frock does a great job protecting clothes while offering comfort and breathability. The elastic wrist on the frock allows easy donning of gloves and protective sleeves and are cut to an appropriate length as a safeguard for full coverage. A mandarin snap collar that provides additional coverage of the chest and neck area.

Construction Details:

Elastic wrist, snap close, no pockets and strong, stress-resistant serged seams.
