

PROTECTION AND COMFORT

FEATURES & BENEFITS

NuTech Lab Coats are strong, yet soft to the touch and provide excellent protection without sacrificing comfort. This microporous composite material is breathable and lightweight offering comfort and protection for the wearer all day in a broad range of non-hazardous applications. The non-confining tapered collar is designed like a shirt collar for style and comfort and the five-snap closure is to provide full coverage without gaps. The length is appropriately adjusted to size, to provide additional coverage for the wearer.

Construction Details:

Five-snap closure, tapered collar, elastic wrist, 3 pockets and strong, stress-resistant serged seams.
