

THE ULTIMATE IN SLIP AND FALL PROTECTION

FEATURES & BENEFITS

These high performance, anti-skid UltraGrip sole offers the ultimate in slip and fall protection on damp and dry floors. The proprietary sole material is also extremely clean, durable and strong enough to withstand even the most abrasive floor surfaces. The upper material used with our UltraGrip soles is made of BarrierTech® and provides particle holdout and protection from fluids and light chemical splash. The UltraGrip shoe cover design provides full coverage up through the ankle area. UltraGrip is suitable for use in a Controlled Environment.

Construction Details:
