

Extra-Duty Boxes

Capacity: 2,000 - 2,500 lbs.

Buckhorn's Extra-Duty Bulk Boxes are rated for load capacities between 2,000 and 2,500 lbs. These boxes have the weight capacity and durable construction to make them particularly suitable in industries such as automotive and appliance manufacturing.

Features and Benefits

- Footprint: 48" x 45"
- Available in extended heights
- Latched panels and doors
- Have plastic or steel runners for added stacking strength
- Drop-doors and four-way forklift entry improve ergonomics and handling
- Superior durability for reliable performance
- Customization and identification options available
- Backed by a one-year limited warranty
- 100% recyclable HDPE

Options

- ID Tags
- Label Placards
- Cardholders
- Bar Coding
- Sequential Numbering
- Standard Colors

See p. 74-76 for more information.

No-door boxes available. Visit www.buckhorninc.com for more information.

Capacity is dependent upon application and use environment. It is based on equally distributed loads. Elevated temperatures or concentrated loads may affect capacity. Check with Buckhorn for suitability in your application. Specifications subject to change without notice. **All dimensions are approximate.**

Extension Rings

Additional heights not listed are available; Buckhorn offers 7" and 10" extension rings that can be added in any combination to the BN484525 and BN484534 models
